Five Star Webmaster Program

Order Fulfillment: Defined

Every webmaster has had dreams of running an online store. The target market and sales potential for internet companies is mind-boggling. However, with any product-based business comes the hassle of warehousing inventory, order processing, billing, shipping, and the biggest of all--customer service. Five Star FC takes care of all these issues as well as server and database administration. With a few clicks, any webmaster can create a virtual store and watch the money begin to roll in while we handle all the rest.

Commission Schedule

Price Tier Name	Commission	Price Mark-up
